The Directorate of Environment & Climate Change invites proposal for Comprehensive Model Waste management Scheme

The DoECC invites proposal from reputed institutions/agencies for addressing waste management in a comprehensive manner. The proposal should focus on formulating a model plant for municipal solid and liquid waste management which can be implemented successfully during the current financial year. Rs. 100 lakhs is earmarked for implementation of the scheme during 2015-16. The last date for submission of the proposal is 15.07.2015.
